Ben, I know you have a lot to catch up on. Here are the CAG's questions from October (last 4) so you don't have to look for it.

**Subject:** ATSDR Questions & Concerns

Erin,

Sorry it's late on Friday. Attached are some preliminary questions and as it relates to the Health Consultation at the West Lake Landfill. Some of the questions are for the EPA as well.

We hope you can answer as many as possible at the public meeting on Monday evening.

Best regards,

Ed
